

Na-ha-shnee STEAM Health

Online Summer Institute | June 28 – July 30, 2021

Native American Health Sciences will be hosting the Na-ha-shnee STEAM Health Institute this June 28 – July 30, 2021. This program is designed for students interested in the health sciences and/or Science, Technology, Engineering, Art, and Math (STEAM Health) fields and have completed grades 9-12 at the end of this school year. This Institute will focus on health sciences and STEAM Health careers available, as well as research and learning opportunities within these fields. We will be providing hands-on learning experiences

4-hours each weekday through a Chromebook Laptop. We will send participants Chromebook, along with experiment kits, materials, and other supplies such as culturally based art projects to do in your home. You will learn from faculty and professionals across several health occupations, and receive cultural instruction from tribal elders. All expenses are paid for and students who participate for the full five weeks will be able to keep their Chromebook and receive a \$200 stipend!
