Ronan School District No. 30 Trustees,

After thirteen years of serving as your Superintendent of Schools and entering of my twenty-sixth in education, I have come to a point where it is time for me to move forward. I hereby declare my retirement from School District No. 30 effective today. Please note, that I am more than willing to make my last day July 18, 2016, if you so wish. I want to thank the many students, staff and community for being so diligent and focused on what really matters! For me my career came with significant sacrifice, albeit worthy for the individual successes for so very many.

I have never been an individual that has sought fanfare and this is no different. I wish nothing but the best to the district as the work remains for the current and future students. It has been a good ride.

The accomplishments are too numerous to list, so I will simply say thank you, to everyone who believed our district could rise to the level that it has! God's speed to you all!

Sincerely,

Andrew W. Holmlund, Retired!
